Pronouns: The Helpful Substitutes

Before

After

Pronouns swap in to save space! Common ones: I, You, He, She, It, We, They.

Pronouns Can Point, Too!

This is my favorite flower.

That is a huge tree!

Near = This / These

Far = That / Those

Articles: The Little Signposts (A and An)

The Sound Rule:

Use 'A' for
consonant sounds.

Use 'An' for
vowel sounds!

A Cat

A Dog

A Book

An Apple

An Owl

An Iguana

Specific or General?

General

I want an apple.

any one will do

Specific

I want
the apple.

that
specific one

‘The’ is the only Definite Article.
It means we know exactly which one!

Prepositions of Place (Where?)

Prepositions connect a noun to the rest of the sentence. They act like a map telling us where things are!

Prepositions of Time (When?)

****AT*** (Specific Time)
- At 5:00 PM

****ON*** (Days/Dates)
- On Monday

****IN*** (Long periods)
- In 2024,
In Summer

Conjunctions: The Sticky Glue

The FANBOYS Glue

- And** (adds things)
- But** (shows difference)
- Or** (gives a choice)

Connecting Thoughts (Subordinating)

- **Because** (The Reason)
- **If** (The Condition - “If it is sunny...”)
- **After** (The Time - “After lunch...”)

Interjections: EMOTION BURSTS!

Interjections are independent words. They pop out to show strong feelings and usually carry an exclamation mark (!).

The Garden Team Together

Wow! She put an apple on
the table and ate it.
