How to Make a Paper Helicopter

Good steps make great results! ★

1 Topic / Title How to Make a Paper Helicopter

2 Goal

The goal is to make a simple paper helicopter that spins as it falls through the air. It is a fun way to explore how air resistance helps objects move.

3 Materials / Equipment

- ☐ scissors
- ☐ ruler
- ☐ pencil
- ☐ flat surface
- ☐ coloured pencils (optional)

4 Ingredients / Items Needed

- ☐ 1 strip of paper (about 15 cm x 5 cm)
- ☐ 1 paper clip
- ☐ 1 small piece of sticky tape
- ☐ helicopter template or plain paper

5 Steps / Method

Use time words like first, next, then, after that, finally.

1. First, use a ruler to measure and draw a paper strip.
2. Next, cut out the strip carefully.
3. Then, cut two slits at the top and one slit at the bottom, following the template.
4. After that, fold the two top flaps in opposite directions to make the rotor blades.
5. Next, fold the bottom sections inward to make the body.
6. Then, place a paper clip on the bottom to add weight.
7. If needed, use a small piece of tape to hold the folds in place.
8. Finally, drop the helicopter from a safe height and watch it spin to the ground.

6 Tips for Success

- Make neat folds so the helicopter spins evenly.
- Add only a small amount of tape.
- Stand in an open space when testing it.
- Try different paper clip sizes to compare results.

How to Bake Chocolate Chip Cookies

Crispy edges, soft centres and perfect every time!

Good steps lead to great results! 😊

1 Topic / Title

How to Bake Chocolate Chip Cookies

2 Goal

The goal is to bake delicious chocolate chip cookies that are easy to make and fun to share.

3 Materials / Equipment

- ☐ mixing bowls
- ☐ measuring cups
- ☐ measuring spoons
- ☐ wooden spoon
- ☐ baking tray
- ☐ baking paper
- ☐ cooling rack

4 Ingredients / Items Needed

- ☐ 2 1/4 cups plain flour
- ☐ 1 teaspoon baking soda
- ☐ 1/2 teaspoon salt
- ☐ 1 cup (soft) butter
- ☐ 3/4 cup brown sugar
- ☐ 3/4 cup white sugar
- ☐ 2 eggs
- ☐ 2 teaspoons vanilla extract
- ☐ 2 cups chocolate chips

5 Steps / Method

Use time words like first, next, then, after that, finally.

- 1 First, preheat the oven to 180°C (350°F) and line a baking tray with baking paper.
- 2 Next, in a medium bowl, whisk together the flour, baking soda and salt. Set aside.
- 3 Then, in a large bowl, beat the butter, brown sugar and white sugar until creamy.
- 4 After that, add the eggs one at a time, then stir in the vanilla extract.
- 5 Next, gradually add the dry ingredients to the wet ingredients and mix until combined.
- 6 Then, fold in the chocolate chips with a wooden spoon.
- 7 After that, scoop tablespoons of dough onto the tray, leaving space between cookies.
- 8 Finally, bake for 10–12 minutes or until the edges are golden.

Let the cookies cool on the tray for 5 minutes, then transfer to a cooling rack. Enjoy!

6 Tips for Success

- Do not overmix the dough.
- Chill the dough for 20 minutes for thicker cookies.
- Keep an eye on the cookies towards the end of baking.
- Let them cool – they will set as they cool!

- ☐ 2 wooden spoons
- ☐ Scissors
- ☐ String or twine
- ☐ Bird seed
- ☐ Peanut butter
- ☐ Plate or bowl

4 Ingredients / Items Needed

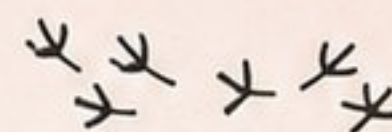

- ☐ Empty milk carton
- ☐ 2 wooden spoons
- ☐ String or twine
- ☐ Bird seed
- ☐ Peanut butter

5 Steps / Method

Use time words like first, next, then, after that, finally.

- 1 First, rinse the milk carton and let it dry completely.
- 2 Next, cut a hole on each side of the carton near the bottom.
- 3 Then, poke two small holes above the opening on each side.
- 4 After that, push a wooden spoon through each hole so they stick out.
- 5 Next, tie a piece of string through the holes at the top of the carton and knot it securely.
- 6 Then, spread peanut butter all over the outside of the carton.
- 7 After that, roll the carton in bird seed until it is completely covered.
- 8 Finally, hang your bird feeder from a tree branch and enjoy watching the birds!

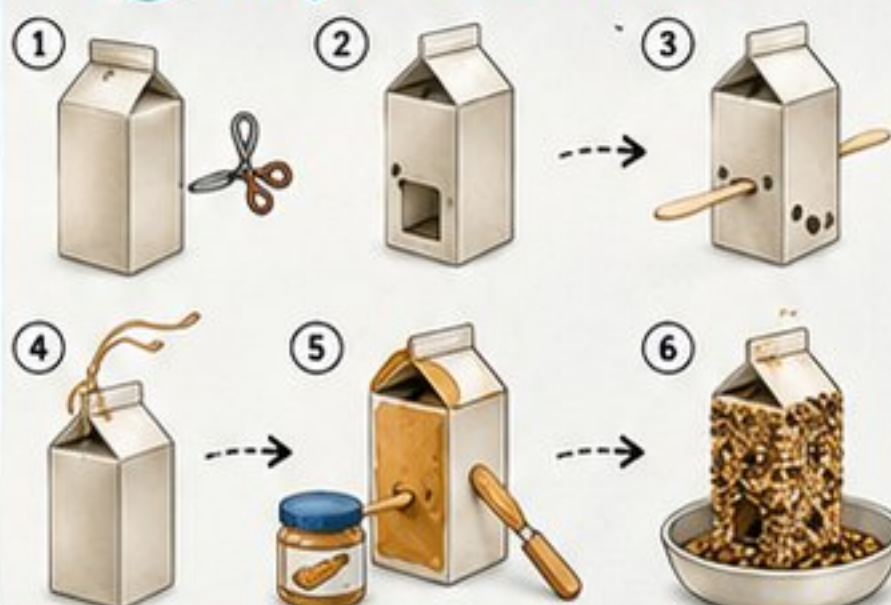

6 Tips for Success

- Use natural peanut butter (no added sugar or salt).
- Make sure the string is strong and tight.
- Refill the feeder when the seeds run low.
- Place in a safe spot away from strong wind.

Great steps make awesome results! 

1 Topic / Title

How to Make a Friendship Bracelet

2 Goal

The goal is to make a simple friendship bracelet by tying colourful threads into a pattern that can be worn or gifted to a friend.

3 Materials / Equipment

- ☐ Scissors
- ☐ Ruler
- ☐ Tape
- ☐ Safety pin (optional)
- ☐ Flat surface

4 Ingredients / Items Needed

- ☐ 3-5 strands of embroidery thread or wool in different colours, about 40 cm each
- ☐ Beads (optional)

5 Steps / Method

Use time words like first, next, then, after that, finally.

- 1 First, choose 3 to 5 thread colours and cut each strand to about 40 centimetres long.
- 2 Next, place the strands together and tie a knot at one end.
- 3 Then, tape the knotted end to a table or attach it with a safety pin.
- 4 After that, spread the strands out in the order you want the colours to appear.
- 5 Next, begin tying the strands in a simple repeating pattern to form the bracelet.
- 6 Then, keep knotting carefully until the bracelet is long enough to fit around a wrist.
- 7 After that, tie a final knot at the end and trim any extra thread. Add beads if you like.
- 8 Finally, tie the bracelet around a wrist or give it to a friend to wear.

6 Tips for Success

- Keep the knots tight and even.
- Check the bracelet length before finishing.
- Choose colours that look good together.
- Work slowly so the pattern stays neat.
