BE KIND. BE BRAVE. BE YOU. ♥

1 PAUSE & CALM DOWN

When emotions feel big, the first step is to pause. You can't think clearly when you're overwhelmed. Take a moment to calm your mind and body. ♥

HOW TO PAUSE & CALM DOWN

1. TAKE A DEEP BREATH

Slow, deep breaths help your body relax and your mind reset.

2. STEP AWAY IF YOU NEED TO

Give yourself space from the situation. It's okay to take a break.

3. CALM MINDS MAKE BETTER DECISIONS

When you're calm, you can think more clearly and choose what's best for you.

EASY BREATHING EXERCISE: 4-4-4

Try this anytime to feel calmer in just a minute.

1 BREATHE IN for 4 seconds

2 HOLD for 4 seconds

3 BREATHE OUT for 4 seconds

Repeat 3-5 times or until you feel more calm.

REMEMBER:

- ♥ It's okay to take a pause.
- ♥ You don't have to have it all figured out right away.
- ♥ You're allowed to protect your peace.

You can't stop the waves, but you can learn to surf.

PAUSE. BREATHE. YOU'VE GOT THIS. ♥

2 UNDERSTAND THE SITUATION

Before reacting, take time to understand what's really going on. Get curious, not defensive. Understanding helps you respond with clarity and compassion. ♥

ASK YOURSELF:

1 WHAT'S THE REAL ISSUE?

- What happened?
- What's bothering me most?
- Is this about me, or something else?

2 HOW ARE YOU FEELING?

- Name your emotions.
- What's behind the feeling?
- What do you need right now?

3 WHAT MIGHT THE OTHER PERSON BE FEELING?

- Try to see their side.
- What could be going on for them?
- Empathy builds understanding.

4 WHAT DO YOU BOTH NEED?

- What's important to you?
- What might they need too?
- Finding common ground helps you move forward.

TAKE YOUR TIME ♥

It's okay if you need more time to think. Understanding the situation is a powerful first step toward finding the right solution.

Curiosity opens the door to connection. ♥

REMEMBER:

- ♥ You don't have to assume or jump to conclusions.
- ♥ Ask questions instead of making accusations.
- ♥ Understanding takes courage, and it leads to peace.

UNDERSTAND TODAY. CONNECT TOMORROW. ♥

3 TALK IT OUT RESPECTFULLY

Respectful conversations lead to understanding and solutions. Listen with an open heart and speak with kindness. ♥

HOW TO TALK IT OUT RESPECTFULLY

1 USE "I" STATEMENTS

Share how you feel without blaming or accusing.

Example:

"I feel hurt when you ignored my text."

2 LISTEN WITHOUT INTERRUPTING

- Let the other person finish.
- Show you're listening.
- Try to understand their point of view.

3 BE KIND, NOT HURTFUL

- Choose words that build, not break down.
- No name-calling, sarcasm, or yelling.
- Stay focused on the issue, not the person.

4 STAY CALM AND TAKE TURNS

- Keep your voice calm.
- Give each other space to speak.
- It's okay to take a break if things get too heated.

CHECK IN:

- ✓ Did we listen?
- ✓ Were we kind?
- ✓ Do we understand each other better?

THE GOAL: ♥

To feel heard, show respect, and find a way forward—together.
