- Little energy
- Sad or discouraged
- Wanting to be alone

I CAN TRY:

- Get some rest
- Talk to someone
- Listen to music
- Do something that makes me feel good ♡

READY MODE

Good to Go!

Calm, happy, focused, and ready to learn or take on the day.

LOOKS LIKE:

- Calm body
- Happy or content
- Able to focus
- In control

I CAN TRY:

- Keep up the good work!
- Help someone
- Stay organized
- Take breaks ♡

ALERT MODE

Heightened

Worried, frustrated, excited, or silly. Losing some control.

LOOKS LIKE:

- Fidgeting
- Worried or stressed
- Silly or overly excited
- Trouble focusing

I CAN TRY:

- Take deep breaths
- Use a break or quiet space
- Stretch or move
- Think positive thoughts ♡

OVERDRIVE MODE

Out of Control

Overwhelmed, angry, elated, or out of control.

LOOKS LIKE:

- Yelling or crying
- Angry or panicked
- Out of control
- Hard to think clearly

I CAN TRY:

- Stop and take space
- Deep breaths
- Ask for help
- Use a calming tool (count, squeeze, etc.) ♡

TOOLS I CAN USE ANYTIME

Listen to music

Write in my journal

Drink water

Take deep breaths

Take a break or go outside

Use a calming tool

Rest or do something cozy

CHECK IN.

- ✓ NAME IT.

Small choices lead to big changes. ☆

YOU'VE GOT THIS. ☆

Everyone's feelings matter. Be kind to yourself and others. ♡

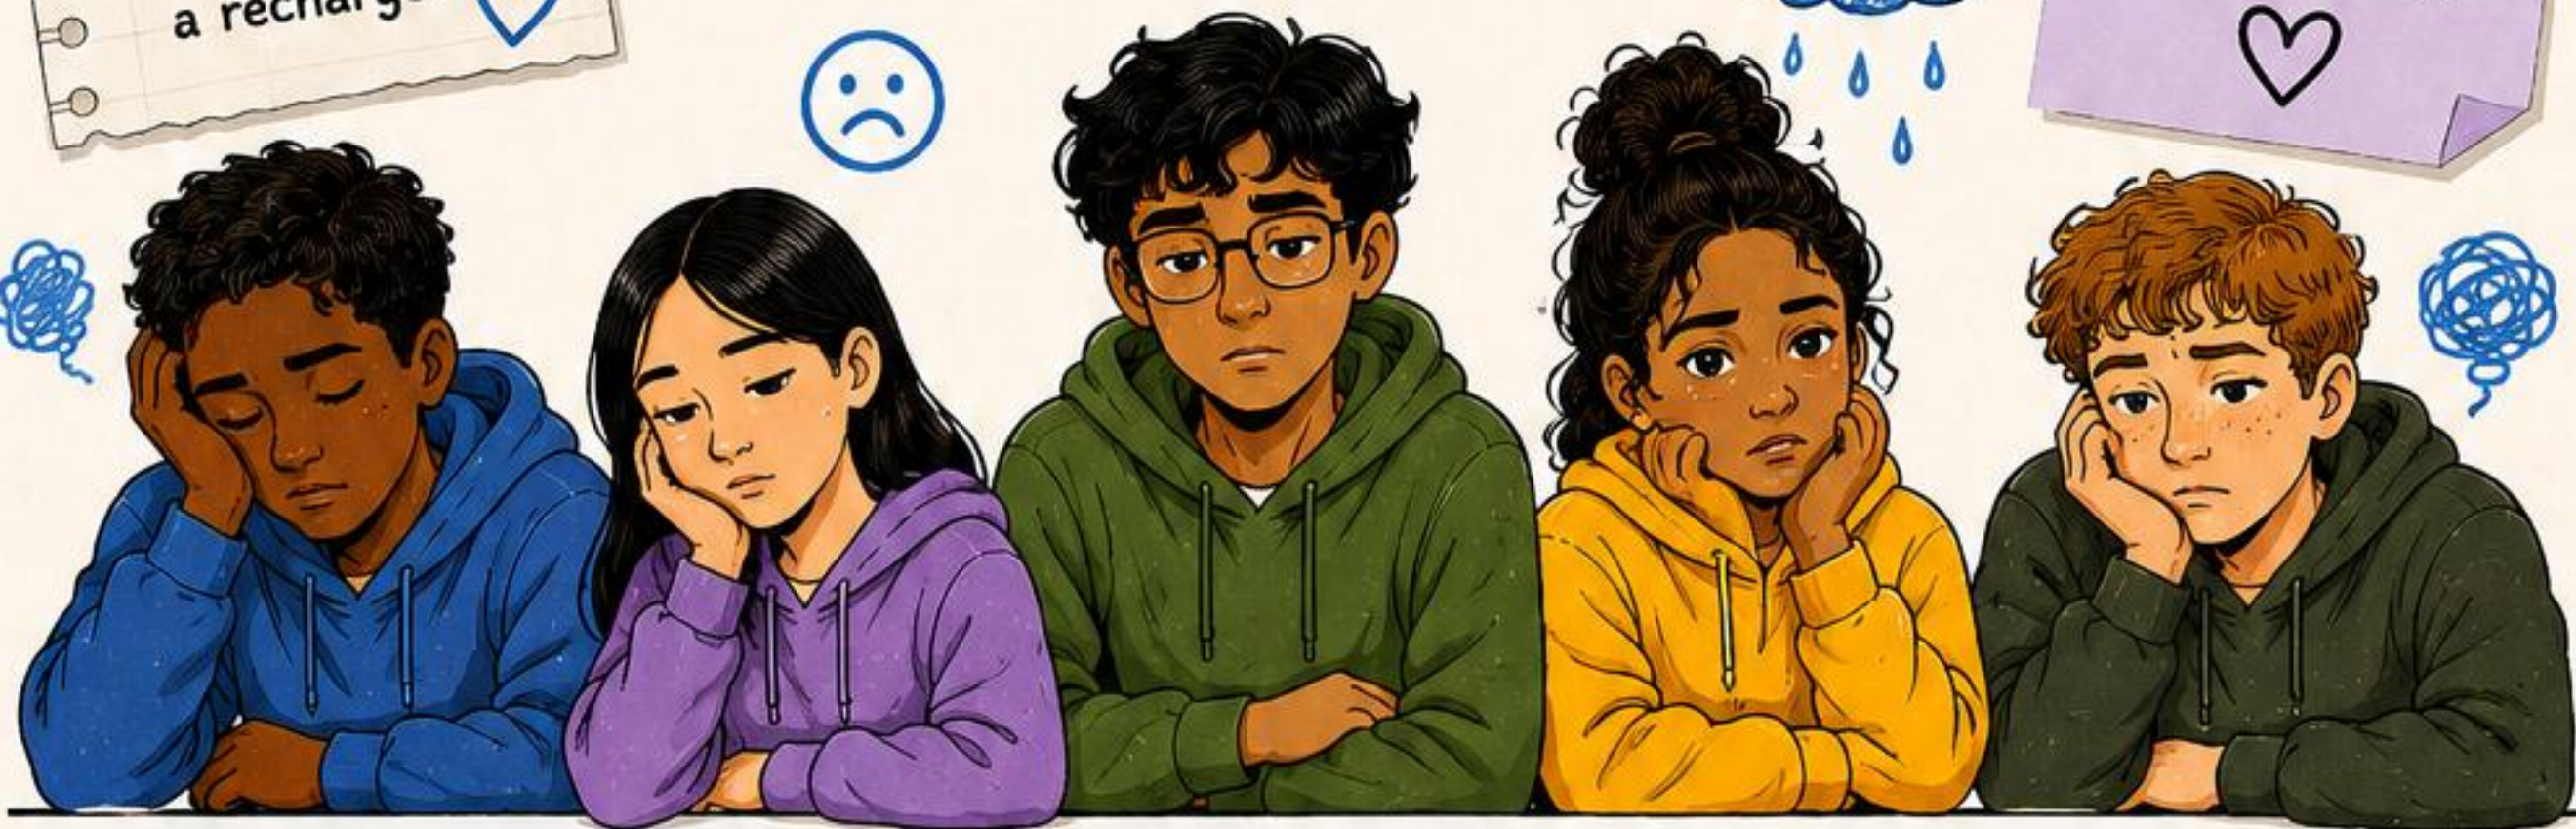

THIS IS RECHARGE MODE

Low Energy

Feeling down, tired, sad, or bored.

It's okay to feel this way. Your body and mind need a recharge. 

Rest is productive. You matter. 

LOOKS LIKE:

- Moving slowly
- Little energy
- Sad or discouraged
- Wanting to be alone

I CAN TRY:

- Get some rest
- Talk to someone
- Listen to music
- Do something that makes me feel good

WHAT HELPS ME RECHARGE:

Sleep or nap

Listen to music

Write in my journal

Drink water

Do something calming

Spend time somewhere quiet

REMEMBER:

It's okay to take a break. Recharging helps you feel better so you can do your best. 

BE KIND TO YOURSELF

You deserve rest. You deserve care. You deserve you. 

Low energy days happen to everyone. Be gentle with yourself. 

THIS IS READY MODE

Good to Go!

Calm, happy, focused,
and ready to learn or
take on the day.

You're feeling
good and have
the energy and
mindset to do
your best!

Keep using
what works to
stay in this
good place!

LOOKS LIKE:

- Calm body
- Happy or content
- Able to focus
- In control
- Motivated
- Ready to learn or take on the day

I CAN TRY TO STAY HERE BY:

- Keeping up the good work!
- Doing things that help me feel good
- Helping someone
- Staying organized
- Taking breaks when I need them
- Practicing healthy habits (sleep, movement, eating well)

THINGS THAT HELP ME STAY IN READY MODE:

Be organized

Drink water

Eat healthy foods

Move my body

Connect with positive people

Do things I enjoy and that inspire me

REMEMBER:

It's great to feel good!
Staying in Ready Mode
helps you keep growing
and reaching your goals.

YOU'VE GOT THIS!

- You are doing great.
- You have what it takes.
- Keep going. Keep growing.

STAY POSITIVE. KEEP IT UP. YOU'RE READY FOR AMAZING THINGS!

It's okay to feel this way. You're not in trouble. Your body and mind are just on high alert right now.

THIS IS ALERT MODE

Heightened

Worried, frustrated, excited, or silly.
Losing some control.

You've got this. You can find calm and get back to balance.

LOOKS LIKE:

- Fidgeting
- Worried or stressed
- Silly or overly excited
- Trouble focusing
- Louder voice
- Racing thoughts
- Hard to sit still

I CAN TRY:

Drink water

Listen to calming music

Take a break or quiet space

Write down what I'm feeling

REMEMBER:

- ☆ This feeling won't last forever. I can slow down and get back to Ready Mode.
- ☆ I am learning and growing.

YOU'VE GOT THIS!

- You are strong.
- You can handle hard things.
- One step at a time.

YOU CAN GET THROUGH THIS AND FEEL BETTER.

It's okay.
You're human.
This is your
sign to pause
and get the
support you
need. ❤️

THIS IS OVERDRIVE MODE

Out of Control

Overwhelmed, angry, elated,
or out of control.

Your body and mind
need help to reset.

You are not
too much.
This feeling
will pass. ❤️

LOOKS LIKE:

- Yelling or crying
- Angry or panicked
- Out of control
- Hard to think clearly
- Can't focus
- Wanting to shut down
- Doing or saying things you regret

I CAN TRY:

- Stop and take space
- Deep breaths
- Ask for help
- Use a calming tool (count, squeeze, etc.)
- Step away from what is overwhelming
- Remind myself: This feeling will pass

THINGS THAT HELP ME RESET:

Listen to
calming music

Use a fidget
or sensory tool

Drink
water

Take a break
in a safe spot

Write or draw
my feelings

Use a calming
tool or aroma

REMEMBER:

- ★ It's okay to ask for help.
- ★ You don't have to handle this alone.
- ★ This is a moment, not who you are.

YOU'VE GOT THIS:

- ♥ You are safe.
- ♥ You are important.
- ♥ You deserve support.
- ♥ You can get through this.

BE KIND TO YOURSELF. TAKE IT ONE STEP AT A TIME.
YOU CAN GET BACK TO CALM. ❤️
