My Writing

I went to the pond.

I saw a green frog on a lily pad.

A duck was swimming in the water.

A dragonfly flew over the pond.

There was a pretty pink flower.

I sat on a rock and watched.

The sun was warm and bright.

It was a wonderful day!

I went to the beach with my bear.

We built a sandcastle in the sand.

A dolphin jumped out of the water.

I saw a boat sailing on the sea.

We had so much fun in the sun!
