Jake woke up early because he wanted to finish his project. He packed his bag and met his friend Mia at the bus stop. They boarded the bus together and sat near the back. The driver greeted them with a smile. When they arrived at school, their teacher told them that they would work in groups. Jake and Mia asked if they could include Liam, and he happily joined them. They shared ideas, helped each other, and finished their project. Later, they showed it to the class, and everyone loved it!
