

We all experience big feelings. Mood Modes help us name how we feel and choose what we need.

YOUR MOOD MODES

RECOGNIZE IT. USE WHAT HELPS. FEEL YOUR BEST.

YOU'VE GOT THIS!

All feelings are ok. It's what we do with them that matters. ♥

RECHARGE MODE

Low Energy

Feeling down, tired, sad, or bored.

LOOKS LIKE:

- Moving slowly
- Little energy
- Sad or discouraged
- Wanting to be alone

I CAN TRY:

- Get some rest
- Talk to someone
- Listen to music
- Do something that makes me feel good

READY MODE

Good to Go!

Calm, happy, focused, and ready to learn.

DEAKS LIKE:

- Calm body
- Happy or content
- Able to focus
- In control

I CAN TRY:

- Keep up the good work!
- Help someone
- Stay organized
- Take breaks

ALERT MODE

Heightened

Worried, frustrated, excited, or silly.
Losing some control.

LOOKS LIKE:

- Fidgeting
- Worried or stressed
- Silly or overly excited
- Trouble focusing

I CAN TRY:

- Take deep breaths
- Use a break or quiet space
- Stretch or move
- Think positive thoughts

OVERDRIVE MODE

Out of Control

Overwhelmed, angry, elated, or out of control.

LOOKS LIKE:

- Yelling or crying
- Angry or panicked
- Out of control
- Hard to think clearly

I CAN TRY:

- Stop and take space
- Deep breaths
- Ask for help
- Use a calming tool (count, squeeze, etc.)

TOOLS I CAN USE ANYTIME

Listen to music

Write in my journal

Drink water

Take deep breaths

Take a break or go outside

Use a calming object

CHECK IN, NAME IT, AND CHOOSE A STRATEGY.

Small choices lead to big changes. ♥

THE RECHARGE MODE

You've got this!
Keep up the good choices.

Good to Go • Calm • Happy • Focused • Ready to Learn ♥

WHAT IS RECHARGE MODE?

Recharge Mode is when you feel calm, happy, focused, and ready to take on the day.

All feelings are okay.

It's a signal that you've used your tools, taken care of yourself, and are ready to keep going.

HOW I MIGHT FEEL

- Calm
- Happy or content
- Focused
- Ready to learn
- Confident
- In control
- Okay and relaxed

WHAT IT LOOKS LIKE

- Good energy
- Sitting up straight
- Engaged and participating
- Positive attitude
- Using kind words and actions
- Ready to learn and grow

THINGS THAT CAN HELP ME STAY IN RECHARGE MODE

GET ENOUGH REST

Good sleep helps my body and mind recharge.

TALK TO SOMEONE

Share how you feel with someone you trust.

LISTEN TO MUSIC

Calming music helps me relax and reset.

DO SOMETHING I ENJOY

Read, color, draw, or do something that makes me happy.

DRINK WATER & EAT

Taking care of my body helps me stay strong and focused.

MOVE MY BODY

Stretch, take a walk, or do some movement.

YOU MATTER.
YOU ARE ENOUGH.

REMEMBER:

Recharge Mode won't last forever.
Keep using your tools every day to stay balanced, make good choices, and keep growing!

Take it one step at a time.
You've got this.

THE READY MODE

You've
got this!
You are ready
for what's next.

Good to Go • Calm • Happy • Focused • Ready to Learn ♥

WHAT IS READY MODE?

Ready Mode is when you feel calm, happy,
focused, and ready to take on the day.

Your body and mind feel balanced.

You've used your tools, taken care of yourself,
and are ready to keep going.

HOW I MIGHT FEEL

Calm

Happy or content

Focused

Ready to learn

Confident

In control

Okay and relaxed

WHAT IT LOOKS LIKE

- Good energy
- Sitting up straight
- Engaged and participating
- Positive attitude
- Using kind words and actions
- Working well with others
- Ready to learn and grow

THINGS THAT HELP ME STAY IN READY MODE ♥

GET ENOUGH SLEEP

Good sleep helps
my body and mind
stay strong.

EAT HEALTHY FOODS

Good food gives
me energy to
think and learn.

DRINK WATER

Water keeps me
focused and
feeling good.

MOVE MY BODY

Exercise or stretching
helps me feel strong
and refreshed.

TAKE BREAKS

Short breaks help
me reset and
refocus.

SPEND TIME WITH PEOPLE I CARE ABOUT

Connection and
kindness help me
stay balanced.

You are
capable, strong,
and ready!

REMEMBER:

Ready Mode isn't about being perfect.
It's about being prepared.
Keep using your tools, making good choices,
and enjoying your day!

Keep going.
You're ready!

THE ALERT MODE

It's your
reminder to
pause, slow
down, and
get back to
Ready Mode.

Caution • My Engine is Revving •
Time to Stop and Use Tools ♡

WHAT IS ALERT MODE?

Alert Mode is when your emotions and energy start to get too high.

You may feel worried, frustrated, silly, anxious, excited, or like you're losing some control.

It's a signal that it's time to STOP and use tools to stay safe and calm.

HOW I MIGHT FEEL

Worried or nervous

Frustrated

Excited or overly excited

Silly or goofy

Anxious

Overwhelmed

Losing some control

WHAT IT LOOKS LIKE

- Fidgeting or moving around a lot
- Talking fast
- Loud voice
- Trouble focusing
- Racing thoughts
- Easily distracted
- Starting to lose patience
- Harder to make good choices

TOOLS THAT CAN HELP ME GET BACK TO READY MODE ♡

TAKE DEEP BREATHS

Breathe in for 4,
hold for 4,
breathe out for 6.
Repeat.

TAKE A BREAK

Step away for
a few minutes
to reset.

DRINK WATER

A sip of water
can help calm
your body.

STRETCH OR MOVE

Move your body
to release extra
energy.

USE A CALMING TOOL

Use a stress ball,
squeeze or fidget
tool, or doodle.

FOCUS ON ONE THING

Do one task at
a time. Take it
step by step.

ASK FOR HELP

Talk to a trusted
adult or friend.
You don't have
to do it alone.

You don't have
to be perfect.
You're doing
your best. ♡

REMEMBER:

Alert Mode doesn't mean you're in trouble.
It means your body and brain are working hard.
Use your tools, slow down,
and get back to Ready Mode. ♡

Pause today.
Come back stronger.
You've got this. ♡

THE OVERLOAD MODE

Out of Control • Overwhelmed •
Panic • Need Help ♥

It's okay
to need help.
You are not
your feelings.

WHAT IS OVERLOAD MODE?

Overload Mode is when your emotions and energy are so high that your body and brain feel flooded and out of control.

Your body is in overdrive.

It's a signal that you need to STOP what you're doing and get help right away.

HOW I MIGHT FEEL

- ☹️ Angry or raging
- 😱 Terrified or panicked
- 😡 Yelling or screaming
- 😵 Out of control
- 🩸 Wanting to hurt myself or others
- 🧠 I can't think clearly
- 💓 My heart is racing
- 😓 My body feels tense or shaking

WHAT IT LOOKS LIKE

- Clenched fists or jaw
- Yelling, swearing, or arguing
- Slamming things
- Pacing or running away
- Crying hard or hyperventilating
- Can't sit still
- Making impulsive or unsafe choices
- Shutting down or refusing to listen

TOOLS THAT CAN HELP ME GET BACK TO READY MODE ♥

DEEP BREATHS

Breathe in for 4, hold for 4, breathe out for 6. Repeat.

TAKE A BREAK

Step away for a few minutes to reset.

DRINK WATER

A sip of water can help calm your body.

MOVE MY BODY

Exercise or stretch helps release extra energy.

USE A CALMING TOOL

Listen to calming music or use a fidget tool.

WRITE IT OUT

Write down what you feel to get it out.

ASK FOR HELP

Talk to a trusted adult or someone who can help.

You don't
have to handle
everything
alone.

REMEMBER:

Overload Mode won't last forever.
It's okay to ask for help.
You deserve support and
it will help you feel better.

You are strong.
You are enough.
