

AFRAID

Feeling afraid is normal.
It's your body's way of
trying to keep you safe.
You are not alone.

Try these ideas to feel
braver, calmer and
more in control.

THINGS I CAN DO WHEN I FEEL AFRAID

1 TAKE DEEP BREATHS

Breathe in slowly.
Breathe out slowly.
Do this a few times.

2 TALK ABOUT IT

Share how you feel with
someone you trust.
It can help.

3 USE A CALMING TOOL

Try a comfort item, stress ball,
drawing, or listen to calming
music. Find what helps you.

4 VISUALISE A SAFE PLACE

Close your eyes and picture
a place where you feel safe
and happy.

5 TAKE SMALL STEPS

Break big things into
smaller steps. Take one step
at a time. You've got this!

6 REMIND YOURSELF

Use positive words to
remind yourself that you
are brave and capable.

You are braver than you think.
It's okay to feel afraid.
You are safe, strong
and never alone.

ANGRY

Anger is a big feeling.
It's okay to feel angry sometimes.

You can use these strategies
to calm down and
make better choices.

THINGS I CAN DO WHEN I FEEL ANGRY

1 TAKE A BREAK

Step away from the situation.
Take a break in a quiet and
safe space.

2 TAKE DEEP BREATHS

Breathe in slowly through
your nose. Breathe out slowly
through your mouth.

3 COUNT TO 10

Count slowly to 10.
Take your time.
Focus on each number.

4 SQUEEZE OR HUG

Squeeze a soft pillow
or give yourself a hug.
It can help release
big feelings.

5 TALK ABOUT IT

Talk to someone
you trust about how
you feel.
It can help.

6 DO SOMETHING ACTIVE

Move your body!
Go for a walk, do some
stretches or jump and
shake it out.

Big feelings don't last forever.
You can calm down,
make good choices
and feel better!

BORED

Feeling bored is normal.
It can be a sign that you need
something new or interesting to do.

Try these ideas to help you
feel better and have fun!

THINGS I CAN DO WHEN I FEEL BORED
