

CHUNKING: A Syllable-Based Spelling Strategy

LETTER-SOUND MAPPING:

Connecting Sounds to Written Letters

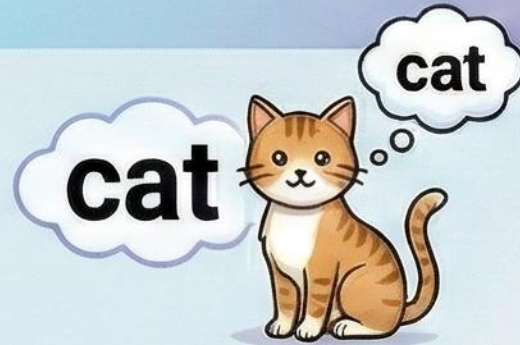

PHONETIC SPELLING STRATEGIES:

Mastering Sounds for Success!

1. SOUND IT OUT (Phonics & Phonemes)

Break words into individual sounds (phonemes).
Blend them together. e.g., /k/ + /æ/ + /t/ = cat.

2. CHUNKING (Syllables & Parts)

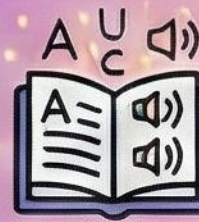

Divide long words into manageable beats or parts (syllables). e.g., el - e - phant.

3. RHYMING (Word Families)

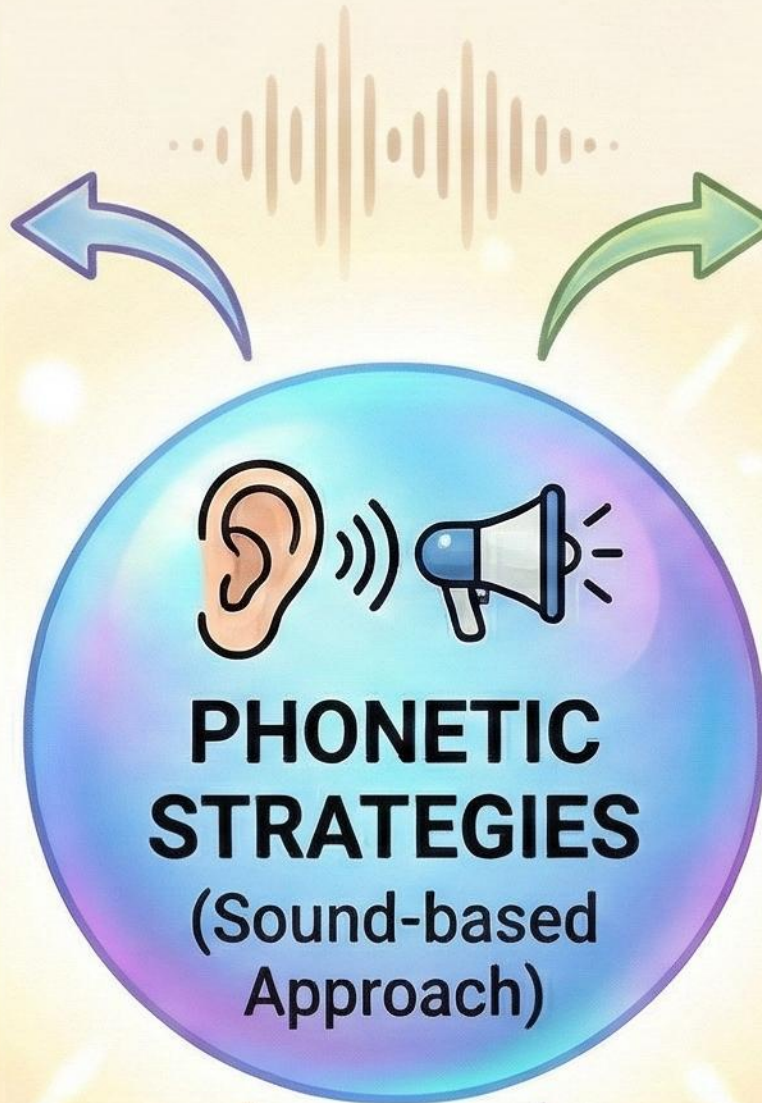

Use known words to spell new ones with the same ending pattern. e.g., ball → tall, wall.

4. LETTER-SOUND MAPPING (Graphemes)

Connect specific letters or letter combinations (graphemes) to their sounds. e.g., 'sh' = /ʃ/.

RHYMING: A Word Family Spelling Strategy

1. HEAR THE RHYME
(Identify the Ending Sound)

CAT 

HAT 

-at  **-at**

2. FIND THE FAMILY
(Connect to Known Words)

CAT

sat

mat

rat

Word
Bank

KEY:
Rhyming = Using
known words to
spell new ones
with the same
ending sound

3. SPELL THE NEW WORD
(Apply the Pattern)

FL + -AT

initial
blend

rhyming
part

-AT
rhyming

flat

4. READ & CONFIRM
(Check the Spelling)

FLAT

cat - hat

SOUND IT OUT: A Phonetic Spelling Strategy

1. LISTEN & SAY (Hear the Word)

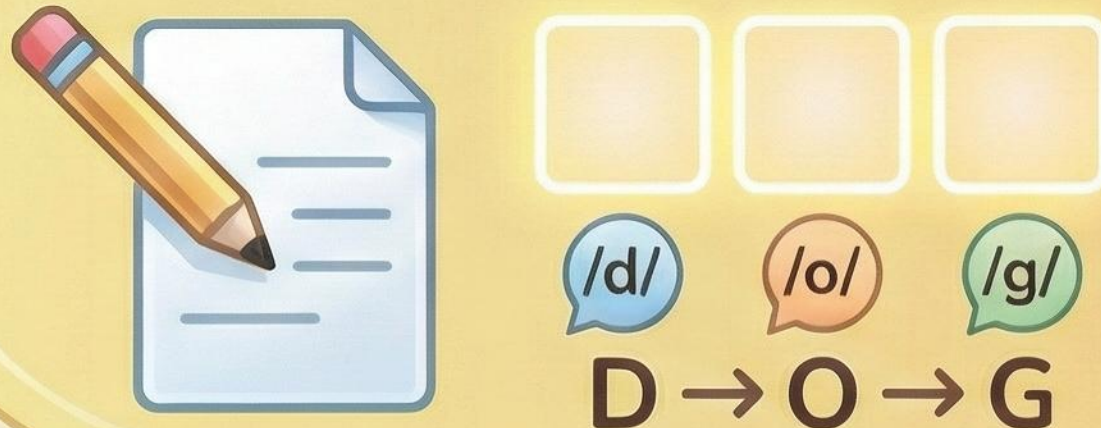

2. SEGMENT SOUNDS (Break it Down)

KEY:
Phonemes (Sounds)
↔
Graphemes (Letters)

3. MAP TO LETTERS (Write the Graphemes)

4. BLEND & CHECK (Read and Confirm)
