

MOOD MODES

We all have different moods. It's okay!
♥ How are you feeling? ♥

RECHARGE MODE

Feeling tired, sad,
bored or low energy.
I need to rest and recharge.

I CAN TRY:

-  Take deep breaths
-  Get some rest
-  Read a book
-  Listen to calm music
-  Talk to someone

READY MODE

Feeling good, calm
and focused.
I'm ready to learn and go!

I CAN TRY:

-  Stay positive
-  Do my best
-  Listen and follow
-  Help others
-  Use kind words

ALERT MODE

Feeling agitated, excited,
silly or losing focus.
I need to slow down.

I CAN TRY:

-  Take deep breaths
-  Count to 10
-  Stretch my body
-  Take a brain break
-  Squeeze something

OVERLOAD MODE

Feeling overwhelmed,
angry or out of control.
I need help to calm down.

I CAN TRY:

-  Ask for help
-  Go to a calm space
-  Take deep breaths
-  Use a coping strategy
-  Talk to someone

♥ All feelings are okay. What matters is what we do with them. ♥
