- Wanting to escape

Your body is telling you it's had enough. It's time to stop and get back to safe.

YOU MIGHT NEED:

- Space
- Help from a trusted adult
- Deep breathing
- Time to calm down
- A safe place

First calm down. Then we can problem solve and move forward.

WHAT CAN I DO?

TAKE DEEP BREATHS

TAKE A BREAK

GO TO A SAFE SPACE

USE A CALM STRATEGY

TALK TO SOMEONE

DRINK WATER & RESET

It's okay to feel overwhelmed sometimes. What matters is what you do next.

**YOU CAN
RESET.
YOU'VE GOT
THIS!**

REMEMBER:

It's not about never losing control. It's about using strategies to help you get back in control.

★ **STOP. BREATHE. CALM DOWN. GET HELP. YOU CAN DO THIS.** ★
