

MOOD MODES

UNDERSTAND YOUR MOOD. USE WHAT HELPS. FEEL YOUR BEST.

Mood Modes help us understand our feelings and energy so we can make good choices and handle challenges in a healthy way.

RECHARGE MODE

Low Energy

My energy is low.
I feel down, tired
or unmotivated.

I MIGHT FEEL:

- ♥ Sad
- ♥ Tired
- ♥ Bored
- ♥ Sick
- ♥ Lonely

TOOLS THAT HELP:

Get rest Drink water Read a book

READY MODE

Good to Go!

I feel calm, happy
and focused. I'm ready
to learn and play!

I MIGHT FEEL:

- ♥ Happy
- ♥ Calm
- ♥ Focused
- ♥ Content
- ♥ Proud

TOOLS THAT HELP:

Plan my day Stay organized Keep going!

ALERT MODE

Caution

My engine is revving.
I may feel worried,
frustrated, silly or
lose control.

I MIGHT FEEL:

- ♥ Worried
- ♥ Frustrated
- ♥ Silly
- ♥ Anxious
- ♥ Excited

TOOLS THAT HELP:

Take a break Squeeze something Think positive

OVERLOAD MODE

Out of Control

My engine is racing!
I feel angry, overwhelmed
or out of control.

I MIGHT FEEL:

- ♥ Angry
- ♥ Terrified
- ♥ Overwhelmed
- ♥ Out of control
- ♥ Panicked

TOOLS THAT HELP:

Move my body Ask for a hug Talk to someone

All feelings are okay.
It's what we do with them that matters.

Notice my mood mode. Use tools. Get back to Ready Mode. ♥

YOUR

RECHARGE MODE

Low Energy

Recharge Mode is when I feel **low energy**. I might feel sad, tired, bored, sick or moving slowly. My body and brain need rest and support to feel better.

I MIGHT FEEL:

Sad

Zz

Tired

Bored

Sick

Lonely

WHAT IT CAN LOOK LIKE:

Low energy or moving slowly

Hard to get started

Trouble concentrating

Wanting to be alone or hide

Wanting to rest or sleep

TOOLS THAT HELP ME:

Take deep breaths

Take a break

Read a book

Drink water

Do something calming

Ask for a hug

It's okay to feel this way.

Notice my mood mode, use tools that help, and take small steps to **get back to Ready Mode.**

YOUR READY MODE

♥ Good to Go! ♥

Ready Mode is when I feel calm, happy, focused and ready to learn or play. My body feels just right, and I can handle whatever comes my way!

I MIGHT FEEL:

Happy

Calm

Focused

Proud

Content

WHAT IT CAN LOOK LIKE:

Ready to learn and listen

Working well with others

Staying focused on my goals

Making good choices

Feeling okay and in control

TOOLS THAT HELP ME STAY IN READY MODE:

Take deep breaths

Drink water

Listen to calming music

Draw or write

Move my body

Talk about my feelings

I'm in **Ready Mode!**

I can keep using my tools to stay calm, focused and ready for anything! ♥

YOUR

ALERT MODE

Caution

Alert Mode is when my energy starts to get higher.

I may feel worried, frustrated, silly or lose control.

It's my cue to slow down and use tools to stay in control.

I MIGHT FEEL:

Worried

Frustrated

Silly

Anxious

Lose Control

WHAT IT CAN LOOK LIKE:

My energy is revving up

Trouble thinking clearly

Hard to sit still

Voice getting louder

Tense body or clenching

Impulsive choices

TOOLS THAT HELP ME STAY IN ALERT MODE:

Take deep breaths

Take a break

Listen to calming music

Squeeze something

Drink water

Write or draw my feelings

Go to a quiet space

It's okay to feel this way.
I can slow down and use my tools.
I can stay in control.

YOUR

OVERLOAD MODE

♥ Out of Control ♥

Overload Mode is when I feel
overwhelmed and out of control.

I may feel angry, terrified,
panicked, out of control or
like I can't cope.

My body and brain need help
to calm down.

I MIGHT FEEL:

Angry

Terrified

Overwhelmed

Out of Control

Panicked

WHAT IT CAN LOOK LIKE:

My engine
is racing

Hard to think
clearly

Big feelings feel
too big

Yelling or being
very loud

Hitting, kicking
or breaking things

Impulsive or
unsafe choices

TOOLS THAT CAN HELP ME CALM DOWN:

Take deep
breaths

Get a blanket
or cozy space

Listen to calming
music

Squeeze something
or use a fidget

Drink
water

Take a break
for a few minutes

Draw or write
my feelings

It's okay to feel this way.

I can get help from my tools or
someone I trust.

**I can calm my body and get back to
the Green Zone.**
